What delegates said about the 2017 conference

Very educational and professional

The quality of the conference was exceptional

This is a very well-priced conference in the cosmetic area

Conference was pitched well with good speakers giving great take-home advice on practical matters rather than esoteric and high-powered facts

It's the best conference I attend all year

Excellent speakers and program

A very high-quality conference

Most definitely I will attend next year

Accreditation

LCMC is Australia's premier cosmetic medicine conference with RACGP, Australian College of Nursing and Australian College of Rural and Remote Medicine CME accreditation.
