

# FORMULÆ

THE ART & SCIENCE OF COMPOUNDING

Fulfilling the unique needs of clinics everywhere, with a fresh take on the meaning of skincare.

Formulae has a solution for all clinics:

## Formulae 05

Choose to stock our branded products to be part of a growing brand.

## Formulae 07

Private label our products to grow your own brand and patient-base.

## Formulae Bespoke

Formulae skin formulation specialists are ready to work with you to design your own range to your specification.

The Formulae microbiome brandmark represents a movement in skincare towards protecting the all-important skin microbiome.

All skincare products from Formulae carry this brand-mark, allowing your products to become part of this emerging concept.

As part of our special offer, all ACAM members, receive 15% OFF their first order from Formulae.

[Click here to be matched with your Formulae Product Specialist,](#) and claim your discount.
